

HEXONA DESIGN

What we do:

- We help ensure that businesses like yours are able to scale by through ***boosting customer retention***.
- You don't need an entire marketing team, with our software and automation, it really is **at the press of a button**.

What we offer:

- The means to directly communicate with your customers.
 - Staying engaged with customers allows you to build **a brand identity**.
 - It's the same reason why Coca-Cola spend *billions* on advertising, even though everyone knows what a can of coke is.

Businesses looking to boost revenue, need to engage their customers attention after they leave, to keep them coming back again and again.

Services included in our All-in-One Platform :

- Unlimited email marketing campaigns.
- Automated Mailing Lists Generation.
- Automated Google Review and social media invitations.
- Time sensitive discounts at the click of a button.
- Fully customisable *drag and drop* forms, web design, marketing campaigns
- All-in-one Social Media management.

3-week free trial, no cards, no contracts, no risk! Get in touch now!
